Publications

Edited Book

John Stuart Mill, *Utilitarianism: With Related Remarks from Mill's Other Writings* (Hackett Publishing Company, 2017).

This edition of *Utilitarianism* supplements the text of Mill's essay with 58 related remarks selected from Mill's other writings, ranging from his treatise on logic to his personal correspondence.

Co-edited Book Series

Cambridge Elements, Ethics series (co-edited with Dale E. Miller),
Cambridge University Press

The Cambridge Elements will be original, authoritative, peer-reviewed short books (20,000–30,000 words). The Ethics series will comprise 30 books that are expected to be published around 2020–23. Series editors are responsible for determining topics, soliciting authors and peer reviewers, and providing substantive comments on manuscripts.
